To Honor a Great Man

Our 5th graders read Dr. Martin Luther King Junior's speech entitled; "What Is Your Life's Blueprint?" a speech that encourages people to be the best they can be without caring what others think of them. Then the students worked in teams to create a journal, poster, or a mural depicting Dr. King's message of self-worth and dignity for all. Students worked hard in creating their own visions of his message. Be sure to check out our Face book page next week to see their finished projects.

"If you can't fly then run. If you can't run then walk. If you can't walk then crawl. But by all means, keep moving." - Rev. Dr. Martin Luther King Jr.

Catholic Schools Week

Sunday kicks off this year's National Catholic Schools Week and to celebrate the Diocese will have a mass at the Albany Cathedral at 2:00pm. Each year at this mass, educators from throughout the diocese are recognized for their years of service to Catholic education. This year several of our own St. Pius X teachers will be recognized. Please join us in congratulating them.

Mr. Mullahy, Teacher & Principal 30 years

Mrs. Riley, Art teacher 25 years

Mrs. Fouracre, ELA teacher 25 years

Our students are so blessed to have these educators as part of our school community, and we thank them for their time and dedication over the years! If you are able to join us on Sunday, please do!
