Summer 2022

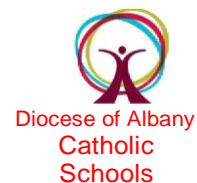

Dear Parents/Guardians of Students in Grades 5-8:

Students will be given a summer Math assignment this year.

We will be using iReady to keep math concepts fresh over the summer. We suggest that students spend at least 45 minutes per week on iReady. Teachers will be checking iReady for student progress periodically throughout the summer.

To access iReady, students will use [login.i-ready.com](http://login.i-ready.com). All students have a current username and password. If your student needs to be reminded of the correct username and/or password, you can email [scurtis@stpius-x.com](mailto:scurtis@stpius-x.com).

Have a happy and healthy Summer!
