

7th Grade Summer Reading

“A reader lives a thousand lives before he dies...The man who never reads lives only one.” -
George R.R. Martin

Reading fosters the imagination and creates a path to life lessons. For your summer reading project, please read ***Fish in a Tree* by Lynda Mullaly Hunt**. Once you have finished reading the novel, please write a short summary of it. **The summary should be written in paragraph form and should include:**

1. Setting - time and place of the novel.
2. A description (physical and personality) of the main character
3. An explanation of the conflict
4. Explanation of 3 main events in the novel
5. An explanation of how the conflict is resolved

Please pay close attention to the main character. This character's traits will be compared to Melody Brooks from *Out of My Mind* by Sharon Draper in an essay at the beginning of the 2022/2023 school year.

I am always available for assistance. Please do not hesitate to contact me with any questions or concerns.

Have a safe and enjoyable summer.
